Valve description

1. Material: PVC-U
2. Size: DN15-100 1/2"-4"
3. Standard: DIN, ASTM
4. Connection: Threaded
5. Color: Handle-Red, Body-Dark gray

Product Features

1. Switch torque is small.
2. Simple economy.
3. The material is nano-modified to improve the pressure resistance and impact resistance of the product.
4. Thickened valve body for high compression resistance.
5. Valve factory 100% pressure test.
